New Programs Starting 2008-2009

Divine Mercy Academy

"Second Century of Excellence"

- A state-of-the-art computer lab complemented with smartboards, symposiums and video projector systems in several classrooms.
- The implementation of a supplemental religion program called K4J (Kids 4 Jesus) in preschool through 4th grade.
- After school enrichment programs including opportunities to take lessons in piano, voice, art, dance, etc. and to participate in activities such as chess, karate, and fitness programs.
- An outreach program in partnership with Lincoln Park Performing Arts Center which will provide our students in grades 4 – 8 the opportunity to participate in a steelpan ensemble.
- Full day Kindergarten program!
